

# TRASH HOT SPOT SELECTION FORM

City of Berkeley

Site ID: ber\_cod\_1

## Site Information

**Waterbody:** Codornices Creek

**Site Location:** Upstream, 5<sup>th</sup> Street; Downstream, 2<sup>nd</sup> Street. Site will include the south or City of Berkeley side of the creek, the north bank belongs in the City of Albany.

**Jurisdiction:** City of Berkeley

**Ownership:** City of Berkeley

**Agency Contact:** Danny Akagi, 510-981-6394, dakagi@cityofberkeley.info

## Justification

**Information Supporting Selection as a Hot Spot (Attach additional photos as necessary):**

This site is located at the downstream end of a highly urbanized watershed, adjacent to a soccer playfield complex and City of Berkeley Solid Waste Transfer Station on the south, adjacent to a large department store and University of California student housing complex on the north, and immediately west of and downwind from I-80.
